To Whom It May Concern,

This is to certify that Mr. Edirisinghe Arachchige Tharindu Dushan Edirisinghe was a visiting lecturer of Sri Lanka Institute of Information Technology (SLIIT) from 11th February 2017 to 31st December 2018. During the stay at SLIIT, Mr. Edirisinghe delivered lectures for the Cyber Security and Software Engineering specializations of the Bachelor of Science (Honors) in Information Technology undergraduate degree program.

The Sri Lanka Institute of Information Technology (www.sliit.lk) is a Degree Awarding Institute in Sri Lanka specializing in technology, engineering and business. It is an autonomous non state higher education institute in Sri Lanka, awarding undergraduate and taught- and research postgraduate degrees. It has two campuses and four regional centers; the main campus being based in Malabe and a Metropolitan Campus in Colombo. Current enrollment is approximately 7000 in total. SLIIT is a member of the Association of Commonwealth Universities and International Association of Universities, and has several partnerships with international universities
